

## FEATURES

- Complete top with eased edge profile includes an undermount sink, a single reversible side splash, and a loose backsplash.
- Hybrid surface made from premium minerals, quartz and recycled materials for deep color and high performance.
- Top is pre-drilled to accommodate a single center hole faucet, or a 4-inch centerset faucet, or an 8-inch widespread faucet.
- Pre-installed with a white vitreous china lavatory. Three different bowl options available.
- Thickness: 2cm (3/4")
- Loose backsplash with eased edge: 4"H x 3/4" thick.
- Loose sidesplash with eased edge: 4"H x 3/4" thick. Reversible for use on either left or right side. Set on after backsplash is installed, and butts up to backsplash.
- 25 Year Limited Residential Warranty
