ELIAS

F3628-FOR

The Elias chandelier brings organic texture to a bold architectural frame. A large woven Saguran drum shade lends warmth, while slender Forged Iron arms introduce graphic clarity. The light source is housed within a simple bowl, replacing a traditional candle cluster with a clean, modern silhouette. Available with 4 or 6 lights, it makes an approachable, yet substantive impression.
*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

FINISHES
