RICHARD

F4318-PBR

The Richard pendant balances woven rattan with sculptural metalwork, mingling natural with manmade. The wide shade features an airy, open weave that lets light filter through. Finished in Patina Brass, a unique metal suspension loops seamlessly from interior to exterior, creating an industrial contrast to the coastal shade. Available in two sizes.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
