WINE CABINET

REFRIGERATION

24 Inch Dual-Zone Wine Cabinet

True's dual-zone wine storage system has been designed to preserve your favorite vintage. Two independent zones allow for complete flexibility with a temperature range from 40°F (4.4°C) to 65°F (18.3°C). Equipped with vibration-dampening racks that cradle up to 45 bottles ensures the ideal environment for your collection. Patented TruLumina® LED lighting gently illuminates your wine and allows you to choose from 14 different color options. Discover the most versatile wine storage system.
