# Meet the No Leak Skylight

Three patented layers of water protection work together to ensure your VELUX Skylight will not leak.

The No Leak Promise is our commitment that VELUX Skylights installed with our flashing will not leak. We're able to make this commitment with a 10-year installation warranty backed by our patented three layers of water protection on deck- and curb-mounted skylights.

- 1 Pre-Attached Seal**  
Pre-attached deck seal (deck-mounted) or gasket (curb-mounted) provides a tight seal for leak-proof installation.
- 2 Adhesive Underlayment**  
Adhesive underlayment for secondary water protection against the harshest weather conditions.
- 3 Engineered Flashing**  
Engineered flashing for easy installation and primary water protection. See page 22 for flashing systems.
