

5 SERIES WALL HOODS – 12" HIGH

Viking Professional 5 Series – VWH

APPEARANCE AND DESIGN

- Backlit LED knobs extend and illuminate to control lighting level and fan speed, then fully retract when not in use
- Seamless design provides a refined finish to your kitchen
- Recommended for use with 30" wide ranges, rangetops, and cooktops, and 36" W. non-griddle ranges, rangetop, and cooktops. For larger equipment, use 18" high wall hood
- Optional recirculating kit accessory for ventless ducting sold separately

QUIET AND EFFICIENT VENTILATORS

- 460 CFM interior-power ventilator comes standard with product and quietly delivers powerful smoke and odor removal
- Multi-speed ventilator control knob allows precise adjustment to desired fan speed
- Maintenance-free ventilators never need to be cleaned with the commercial-type hood filters doing the dirty work
- Cook with peace of mind as the built-in heat sensor activates the ventilator to full power if cooking temperatures reach uncomfortable levels

BRIGHT LED LIGHTING

- Dimmable lighting controls provide custom illumination for enhanced surface cooking visibility
- Long-life LED light bulbs are energy efficient and easily replaceable

EASY MAINTENANCE AND CLEANUP

- Commercial-type baffle filters efficiently remove heat and grease vapors from the air
- Stainless steel dishwasher-safe filters are easily removed for quick cleaning
- Low-profile filter system reduces interior hood space, leaving less surface to clean

MODEL NUMBERS

- VWH53012 – 12" H./ 30"W. Wall Hood
- VWH53612 – 12" H./ 36"W. Wall Hood

ACCESSORIES
