

ASSEMBLY INSTRUCTIONS

Clarkson Floor Lamp

Item # ARN1003

INSPECT ITEM CAREFULLY BEFORE ATTEMPTING TO INSTALL. IF THERE IS ANY DAMAGE OR OBVIOUS DEFECT, DO NOT INSTALL. ITEM MAY NOT BE RETURNED ONCE IT HAS BEEN INSTALLED.

1. Attach base loader (F) and base (E) to pole (D), letting bottom threaded rod of (D) pass through the center hole of (E) & (F).
2. Slide the washer (G) and screw the nut (H) onto the threaded rod and tighten with wrench (L) provided.
3. Pull the wire from the cord exit hole.
4. Remove backing sheet from felt paper (M), and affix the felt paper underneath the lamp base.
5. Remove socket rings (A) from threaded sockets (C).
6. Attach lamp shade to the threaded socket and secure by replacing the socket rings (A) to the threaded sockets (C).
7. Insert light bulbs into the sockets.
8. Remove plastic cover (K) from electrical plug (J).
9. Plug lamp into wall outlet.
