General Product Information:

This product is safety listed for dry locations only.

This instruction shows a typical installation.

SAVE THESE INSTRUCTIONS!

IMPORTANT SAFETY INSTRUCTIONS
This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not attempt to defeat this safety feature.
