

Belterra 30 Chandelier LED

DESCRIPTION

The Belterra 30 Chandelier by Tech Lighting is inspired by the lotus flower. Petal-shaped LED light guides beautifully illuminate this contemporary design and capture the purity of the chandelier's graceful stem-work. Offered in three elegant finishes, Belterra provides a touch of contrast to the light guides when turned on and off. Available in three sizes to illuminate the space as a stand-alone piece or installed in multiples. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 32 watts, 2399 total delivered lumens, 3000K LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with (4) 12" and (2) 6" rigid stems in coordinating finish. Can be installed on a sloped ceiling up to 20°. 120V.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

5-5lb / 2.27-2.27kg ±

matte black

polished nickel

natural brass
