

## Mini Joni Pendant LED

### DESCRIPTION

The Joni Low Voltage Pendant by Tech Lighting features an integrated LED lamp suspended within a conical shade and creates a uniquely contemporary smaller-scale pendant. For heightened visual interest, designed with color on color or two-tone finish options. Offered in three stylish finish options, Matte Black, Natural Brass, and Satin Nickel. At 6" in diameter, the Joni pendant is a great fixture to install in multiples and adds a contemporary statement to your kitchen, living room, hallway and bedroom. Installed individually or in multiples, Low-Voltage Pendants complement our Tech Lighting Monorail Track System. Complete the look with the larger scale Joni Pendant, Wall Sconce and Flush Mount. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 12 volt 6 watt 230 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cutttable cable. Matte Black finish supplied with bronze cable. Brass and Satin Nickel finish supplied with satin cable

### INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

### WEIGHT

1.5-1.5lb / 0.68-0.68kg ±

matte black

natural brass

satin nickel
