

## Mini Linger Pendant LED T20

### DESCRIPTION

Tech Lighting's Linger Low-Voltage Pendant is a classic design featuring one elegant cylinder housing a powerful LED providing generous illumination in any space. The Low-Voltage pendant is great for installing in multiples and complements Tech Lighting's Monorail System. Available in Satin Nickel, Nightshade Black and Natural Brass that will slowly patina for a timeless look. Complete the look with the collection of Linger Chandeliers, and Bath/Wall Sconces. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 12 volt 5.8 watt 230 delivered lumen, 3000K, 90 CRI, LED module. Dimmable with low-voltage or magnetic dimmer (based on transformer). Includes 6 feet of field-cutable cable. Nightshade black supplied with bronze cable. Brass and satin nickel supplied with satin cable.

### INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.

### WEIGHT

2-2lb / 0.91-0.91kg ±

natural brass    nightshade black    satin nickel
