

Mini Palona Pendant

LED T20

DESCRIPTION

The Palona pendant by Tech Lighting flawlessly blends the art of beautiful hand-blown glass and highly engineered mechanical components into one simply stunning pendant light. The Palona incorporates warm color dimming LED to create an elegant yet dramatic fixture. Low-Voltage pendants are great solution installed individually or in multiples and complement our Tech Lighting Monorail Track System. Ideal for kitchen island task lighting, bedroom lighting or home office lighting as well as countless commercial application spaces. Integrated LED includes 12 volt 6.1 watt 400 delivered lumen, 90 CRI 3000K module. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Includes 6 feet of field-cuttable cable to match finish selection.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
