

LINE - VOLTAGE PENDANTS / SUSPENSION

Karam Pendant LED T20

DESCRIPTION

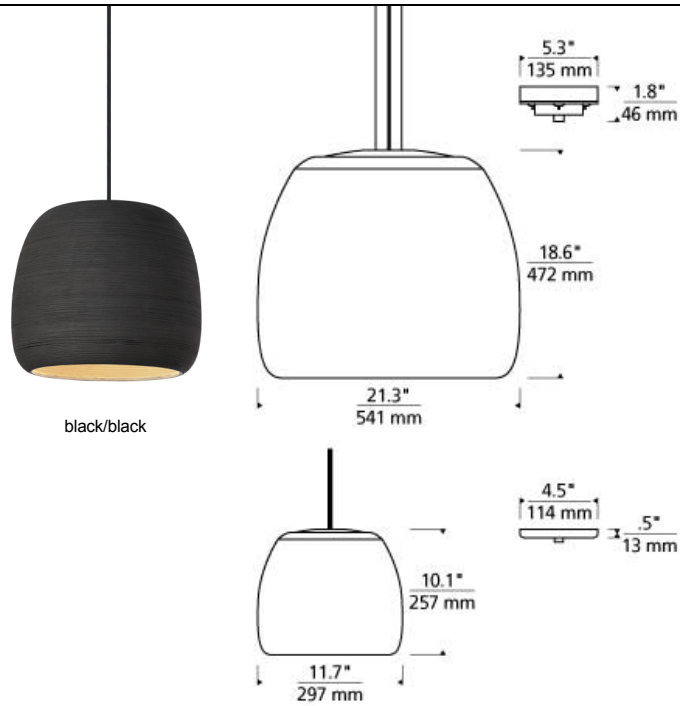

The oversized scale and eye luring texture of the Karam pendant by Tech Lighting is an artisanal work of class. Texture and scale join forces to define this entirely ceramic made pendant. The outer walls of each over-sized shade are textured and painted by hand to create the rough and inherently unique appearance most noted to the Karam. Available in two modern colors concrete and black, the neutral color tones further detail the raw ceramic design. Due to its unexpected scale the Karam pendant is ideal for dining room lighting, kitchen island task lighting, and family room lighting applications. Available lamping options include energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. The LED option is fully-dimmable to create the desired ambiance in you special space. Small rated for (1) 100 watt max, E26 medium based lamp (Lamp Not Included). Large rated for (1) 150w max, E26 medium base lamp (Lamp Not Included). Small and Large LED include 19 watt, 1680 gross lumen A21 LED lamp. Small provided with six field-cuttable cloth cord to match finish selection. Large provided with twelve field-cuttable cloth cord to match finish selection. Dimmable with most LED compatible ELV and TRIAC dimmers.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
