Because Lighting Speaks Volumes

Description

Experience this wall mount's contemporary and traditional beauty. Pieced geometric forms sync harmoniously in this exquisite collection. Encased in stylish cylindrical frosted glass. Frosted glass, handmade by master craftsmen, is sure to impress with stunning, unique radiance. Light diffuses with a foggy effect reminiscent of winter snow. Glass thickness and weightiness ensures long-lasting durability. Feel at ease with chrome's high resilience, lasting quality, and stunning appearance. An exceptionally corrosion-resistant material, high-quality chrome provides phenomenal durability and an attractive gleam. Polished to a mirror shine and an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Complements stainless-steel appliances. Accent your spaces with this striking piece.
