Description

Upscale hanging mini teardrop pendant ideal for creating a sophisticated ambience. Encased in classy white cased glass. Individually handspun by master glassblowers, glass is crafted layer by layer into a flawless multi-layered tapered empire glass with a delightfully smooth touch. Enjoy phenomenal long-lasting color that will never fade from cleaning or sunlight. Glass color is always non-painted and 100% natural, inherent to the original sand pigment from which it was created. Illumination mechanism is sure to impress with its stunning, unique radiance. Light diffuses within multiple layers instead of simply filtering light through. Entire glass shade glows bright in perfect uniformity, emitting an ethereal, serene ambience and capturing an immaculate glow throughout the glass. Thickness and weightiness from multiple glass layers ensures long-lasting durability. Elegant teardrop cage is a must-have for making a stylish, unique impression. Wire-like cage surrounds the glass shade and provides additional protection. Flawlessly and evenly finished in an immaculate solid white. Complements islands, bars, dining rooms, kitchens, restaurants, or any indoor area. Accent your spaces with this stylish, lovely piece.
