V9645-20

2-Light Integrated LED Indoor or Outdoor Silver Gray Aluminum Cylinder Wall Mount Sconce

OLUME LIGHTING
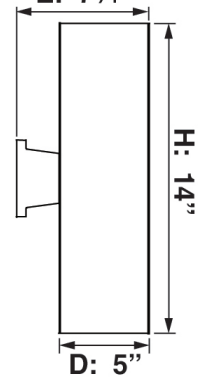

Because Lighting Speaks Volumes

Description

Sleek, modern mounted outdoor cylinder wall mount sconce with a professional look. Encased in rounded cylindrical frame composed of high-quality aluminum, a corrosion-resistant material. Feel at ease with aluminum's high resilience, lasting quality, and inability to rust like steel. Power-coated hard surface provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Conveniently suitable for wet, damp, and dry locations. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design. A stunning piece that imparts a fresh, rejuvenating, and open atmosphere both outside and within. Change up your exterior spaces with this look, or be unique—bring the outdoor look indoors. Open/uncovered bottom provides convenient access to light bulbs for quick and easy replacement and helps prevent accumulation of dust or pests. Go green and save big. Each energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Flawlessly and evenly finished in a cool, rich silver gray (grey). Modernize your spaces with this smart, bold piece. Feel confident in a quality product. Each integrated LED comes with a 5-year limited warranty.
