## Description

This indoor wall sconce or wall mount shines with contemporary finesse. Abstract rectangular technique and warm, sophisticated finish delivers the magnificent look of wood with the unique beauty of geometric fashion. Encased in stylish frosted glass tapered shade. Frosted glass, handmade by master craftsmen, is sure to impress with stunning, unique radiance. Light diffuses with a foggy effect reminiscent of winter snow. Glass thickness and weightiness ensures long-lasting durability. Flawlessly and evenly finished in rich pecan and solid black. Enjoy the warm, magnificent look of wood with all the advantages of metal. Top quality metal frame is flawlessly and evenly handpainted by master artisans in a rich pecan color. The final metal product looks like wood and is stable, durable, and extremely resistant to moisture, humidity, and heat. Complements vanity, living rooms, hallways, restaurants, and many other indoor areas. Add suave sophistication with this piece.
