Description

This integrated LED indoor brushed nickel bath or vanity bar light or wall mount features rounded square smooth white acrylic diffuser lenses. Go green and save big. Energy-efficient LEDs are environmentally friendly and require substantially less electricity to maintain, passing down cost-cutting savings to you. Enjoy this piece's sleek, modern design. Clean, minimal, and solid color design blends in seamlessly with surroundings and existing décor. This versatile light can conveniently mount up or down. Install upwards for an uplight configuration or downwards for a downlight configuration. Americans with Disabilities Act compliant (ADA compliant). Conveniently suitable for both damp or dry locations. Perfect complement to stainless-steel appliances, bathrooms, vanity, living rooms, hallways, restaurants, and many other indoor areas. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Each integrated LED comes with a 5-year limited warranty.
