Because Lighting Speaks Volumes

Description

This indoor brushed nickel flush mount ceiling fixture features a white alabaster glass bowl. Thick and durable alabaster glass diffuses light evenly for a pleasant, uniform glow and features unique, beautiful swirls. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Compact light fits easily in small spaces. Perfect complement to stainless-steel appliances, lobbies, foyers, living rooms, kitchens, bedrooms, apartments, bars, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection.
