V8641-6

1-Light Integrated LED Indoor or Outdoor White Aluminum Convertible Surface Mount, Flush Mount Ceiling Fixture, Wall Mount, or Wall Sconce with Sealed Frosted Polycarbonate Lens Cover and Round Flanged Trim

VOLUME LIGHTING

Because Lighting Speaks Volumes

Description

This integrated LED indoor or outdoor white aluminum convertible surface mount, flush mount ceiling fixture, wall mount, or wall sconce features a sealed frosted polycarbonate lens cover and round flanged trim. Easily installs into 4" or 3" ceiling or wall junction boxes. Housing and trim features all-aluminum construction. Feel at ease with cast aluminum's corrosion-resistance, high resilience, lasting quality, and inability to rust like steel. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Features cold temperature startup in weather as low as 20°C. Operates up to 80°C. Perfect for new construction and many other indoor or outdoor areas. Enjoy rain or shine—conveniently suitable for wet locations. Compact light fits easily in small spaces. Profile is super thin—only 1.25 in. in height. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Solid white finish. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
