Description

This sleek, modern integrated LED indoor or outdoor (suitable for wet locations with top cover only [included with purchase]) black aluminum cylinder wall mount or wall sconce features a professional look and formed and welded, all-aluminum construction. Feel at ease with aluminum's corrosion-resistance, high resilience, lasting quality, and inability to rust like steel. Powder-coated paint base finish provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Go green and save big. Energy-efficient LEDs are environmentally friendly and require substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design. A stunning piece that imparts a fresh, rejuvenating, and open atmosphere both outside and within. Change up your exterior spaces with this look, or be unique—bring the outdoor look indoors. Open/uncovered bottom helps prevent accumulation of dust or pests. Perfect complement to indoor or outdoor (suitable for wet locations with top cover only [included with purchase]) spaces. Flawlessly and evenly finished in solid black. Feel confident in a quality product. Each integrated LED comes with a 5-year limited warranty. Modernize your spaces with this smart, bold piece.
