Taylor 1-Light Integrated LED Indoor Antique Gold Hanging Pendant with Rotating / Swiveling Translucent White Microetched Matte Acrylic Disc and Antique Gold Gimbal Ring

Description

This indoor antique gold hanging pendant features a stunning rotating / swiveling translucent white microetched matte acrylic disc with an antique gold gimbal ring. A concealed integrated LED encircles the disc, distributing soft ambient light from both sides. Go green and save big. Energy-efficient LED is environmentally friendly and require substantially less electricity to maintain, passing down cost-cutting savings to you. Indulge in this piece's contemporary design. Disc elegantly rotates up to 85 degrees. Suitable for dry locations only. Perfect complement to kitchens, islands, living rooms, foyers, entranceways, dining rooms, restaurants, and many other indoor areas. Beautifully finished in a rich antique gold. Antique gold finish is polished to an immaculately smooth surface, antiqued, then brushed to perfect symmetry by master craftsmen. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
