Description

This indoor bath or vanity wall sconce or wall mount makes it easy to decorate with exquisite style. Encased in elegant bell-shaped white alabaster glass. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make each alabaster shade one-of-a-kind and complementary to other alabaster shades wherever placed. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. This versatile light can conveniently mount up or down. Install upwards for an upright configuration or downwards for a downlight configuration. Suitable for both damp or dry locations. Flawlessly and evenly finished in rich antique bronze. Complements bathrooms, vanity, living rooms, hallways, restaurants, and many other indoor areas. This piece is hand-selected to bring you the finest fixture for the best value.
