Description

Inspired by European design, this indoor semi-flush mount ceiling fixture adds a touch of Spanish style perfect for a warm, summery feel. Encased in stylish bell-shaped sandstone glass bowl. Thick, durable sandstone glass evenly distributes a warm glow and minimizes harsh shadows for a delightfully cozy ambience. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Enjoy this piece's powerfully intricate beauty—ornate decorative loops, lofty curls, and a strong, hand-forged wrought iron frame. Each piece is exquisitely constructed with antique hand-forged wrought iron. Such intricate ringlets, swirls, twists, and curls, characteristic to this fixture, cannot be created with any other metal. Wrought antique iron is individually forged, twisted, and hammered by master blacksmiths to bring you unparalleled artistry. Complements dining rooms, kitchens, and many other indoor areas.
