Troy 1-Light Indoor Brushed Nickel Wall Sconce or Wall Mount with Alabaster Glass Bell Shade

Because Lighting Speaks Volumes

Description

Embrace the timeless elegance of this indoor wall sconce or wall mount. Encased in elegant bell-shaped white alabaster glass. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make each alabaster shade one-of-a-kind and complementary to other alabaster shades wherever placed. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Stunning traditional fixture features a sleek frame inspired by Greek design. Rest assured your fixture is Americans with Disabilities Act compliant and provides adequate walkway and hallway accessibility. Distance from the wall to the front of the fixture meets ADA clearance regulations. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Complements stainless-steel appliances, vanity, living rooms, hallways, restaurants, and many other indoor areas. Stand out with this exquisite piece's ancient beauty and enduring allure.
