

Let Yale welcome you home.

Yale® Smart Lock

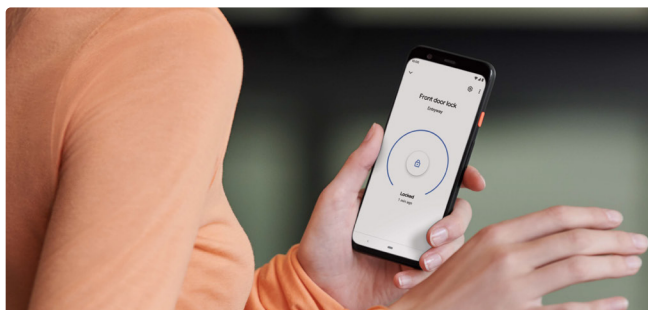

Designed for Google Home

Meet the Yale Smart Lock

Yale Smart Lock with Matter, a Google Home Preferred Product, offers seamless integration with Google Home and other Matter-enabled apps. With multiple unlocking options, long battery life, and easy installation on standard doors, it provides convenience and security for modern homes.

Controlling this Matter-enabled accessory requires a border router for Matter to work.

Multiple Unlocking Options

Entry Code, App, or Key.*

A Cohesive Look

Designed to suit the Nest Doorbell for seamless integration.
