24" WINE COOLER PANEL-READY GLASS DOOR

ZLINE
ATTAINABLE LUXURY®

INTRODUCTION

The ZLINE 24 in. Touchstone Dual Zone 44 Bottle Wine Cooler With Panel Ready Glass Door (RWDPO-24) features dual cooling zones with 25-degree temperature ranges that cater to any wine chilling needs, 2 full-length cool white LED interior lights, and a triple-layered argon-filled glass door paired with an integrated panel-ready frame that provides convenient indoor and outdoor installation options, no matter the season.

FEATURES

OUTDOOR COMPATIBLE A fully wrapped stainless steel exterior features an anti-sweat and waterproof design perfect for indoor or outdoor installation.

PANEL-READY DESIGN Comfortably install your own custom integrated panel and handle to create a truly unique look in your kitchen or on your patio.

SEAMLESS INTEGRATION A precise zero-clearance design matched with a modern ventilation system allows for flush built-in installation into any cabinetry setting.

REVERSIBLE DOOR An easy-to-switch reversible door with articulating soft-closing hinges provides additional flush built-in installation options.

INTUITIVE LED DISPLAY Quickly change temperature settings, adjust lighting, and engage a child lock for additional safety with a state-of-the-art touchscreen.

TRIPLE-PANE GLASS DOOR Easily spot beverages through a triple-paned, argon-filled, UV-resistant tempered glass door paired with an integrated panel-ready frame.
