24 INCH FRONT LOAD WASHER

WM98220SX

Dimensions and Installation

Required minimum air gap clearances: ½" top, ½" sides, ½" back

NOTE TO THE INSTALLER: All height, width and depth dimensions are shown in inches (as well as metric). Beko US Inc. reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice. Please visit our website www.blombergappliances.com or call 888-352-2356 to verify the latest specifications with final dimensional data and other details prior to installation and making a cutout. Applicable product limited warranty information may be found in accompanying product materials or you may contact your account manager for further details. Proper installation is the responsibility of the installer. Product failure due to improper installation is not covered under the Limited Warranty.
