

BROAN *Elite*

Pro Outdoor EPD61

Extra-deep design and improved performance for best-in-class capture.

1100 CFM Internal Blower tested to assure operation in corrosive environments.

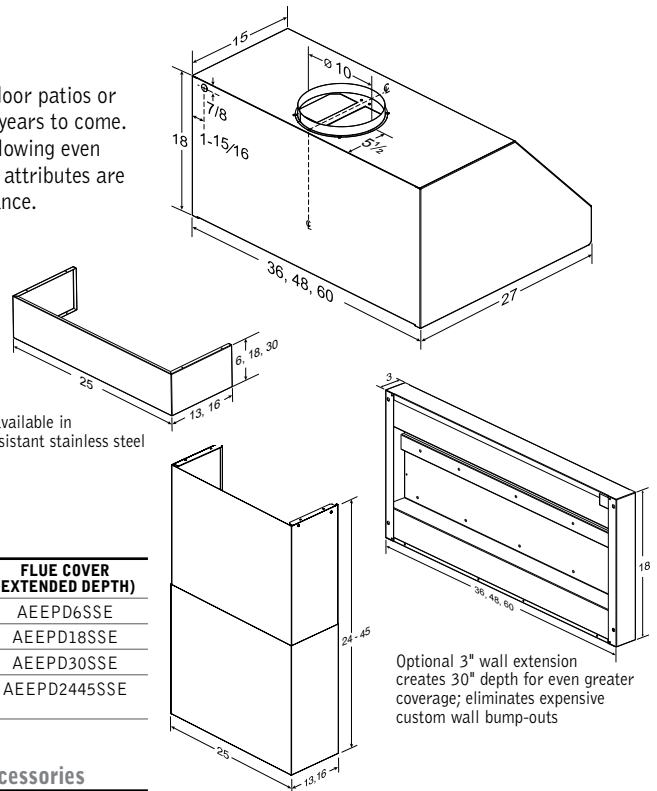

Shown with optional 18" extended flue cover and 3" wall extension

EPD61 Outdoor Hood

Designed of brushed corrosion resistant stainless steel to ensure long life in outdoor patios or lanais, this hood will remain a beautiful additional to your outdoor kitchen for many years to come. The extra deep 27" design can be extended to 30" with the optional wall extension, allowing even greater cooktop coverage for better capture of smoke and cooking odors. All of these attributes are what makes the Pro Outdoor EPD61 the BEST-IN-CLASS for capture and performance.

- Professional outdoor design
- Deep 27" depth to handle heat and size of outdoor grills (optional 3" wall extension)
- Optional flue covers designed for 8' to 11.5' ceilings
- Brushed corrosion resistant stainless steel
- Three widths: 36", 48" and 60"
- Powerful 1100 CFM internal blower
- Bright halogen lighting (bulbs not included); two in 36", three in 48" and 60" model
- 3-speed rotary control designed to resist the effects of heat and moisture
- Stainless steel baffle filters
- Heat Sentry™ detects excessive heat and adjusts blower speed automatically
- HVI certified performance
