Features & Benefits

Quiet and effective

This vent hood features four fan speeds providing powerful extraction to quickly remove odours and steam. As odors can linger in the kitchen well after cooking is finished, the timer keeps the vent hood working for up to 15 minutes before automatically turning off.

Simple to use

This Fisher & Paykel vent hood features a sleek and easy to use soft-touch control panel. Lights provide superb illumination over the entire cooking surface.

Easy cleaning

The stainless steel finish is easily wiped clean. Multi-layered, dishwasher safe filters trap grease effectively and can easily be removed for cleaning.

Designed to match

This vent hood can be built into your cabinetry for a seamless look. Its stainless steel finish is designed to match the rest of Fisher & Paykel's kitchen appliance family.
