

RF20HFENBSR

SAMSUNG

33" Wide, 20 cu. ft. French Door Refrigerator

Signature Features

Automatic Filtered Ice Maker in Freezer

- Conveniently located in the freezer, Samsung's ice maker provides filtered ice cubes.

Twin Cooling System®

- Refrigerator air is kept at higher, near-commercial-grade humidity levels to keep perishable fruits and vegetables from spoiling quickly.*
- Drier freezer air means less freezer burn for better-tasting frozen foods.

* Twin Cooling® humidity levels up to 5x higher than single cooling systems.

LED Lighting

- Beautifully lights up the interior so you're able to quickly spot what you want.
- Sleek design saves more space than traditional incandescent light bulbs.

- Tempered Glass Shelves
- Gallon Door Bins
- EZ-Open Handle™ on Freezer Door

Convenience

- Door Alarm

Rating

Meets DOE Standards:
594 kWh/yr

RF20HFENBSR

SAMSUNG

33" Wide 20 cu. ft. French Door Refrigerator

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 19.4 cu. ft.

Refrigerator: 12.8 cu. ft.

- Surround Air Flow
- 2 Humidity-Controlled Crispers
- 3 Tempered Glass Shelves
