## Highlights:

Weatherproof design with 304 grade stainless steel construction

Flexible design allows built-in or freestanding use

Fully featured interior includes adjustable glass shelves and gallon storage

## Product Features:

|                                    |  |
|------------------------------------|--|
| Weatherproof design                | Solid construction allows placement in the outdoors  |
| 304 grade stainless steel exterior | Complete stainless steel construction ensures lasting durability and style   |
| Built-in capable                   | Make the best use of space by installing your unit under the counter and flush with other cabinets                         |
| Frost-free operation               | No-frost operation for minimum user maintenance  |
| Factory installed lock             | Keyed lock for a secure interior   |
| Adjustable frosted glass shelves   | Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up              |
| Gallon storage                     | Bottom door shelf can hold two one-gallon sized containers, with removable blocks that prevent smaller items from shifting |
| Door storage                       | Three door racks offer convenient storage solutions  |
| White LED lighting                 | Automatic interior light in elegant white hue  |
