

CP351WLLMEDADA

32.5" x 19.88" x 20.25" (H x W x D)

Compact two-door refrigerator-freezer with two side locks, alarm with external display, and hospital grade cord; ADA compliant height

Highlights:

32 1/2" height for use in ADA compliant settings

Unique two-door design in a compact 19 inch width

Zero degree freezer for trusted cold storage

Product Features:

| | |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| ADA compliant | 32 1/2" height for use in settings complying with ADA guidelines for lower counter height |
| Thin-line design | Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots |
| Two side-mounted locks | Two keyed side locks offer security for each section |
| High/low temperature alarms | Warns of temperature fluctuations and includes an external temperature readout on the door |
| NIST calibrated temperature display | Alarm includes NIST calibrated display of the current interior and high/low temperature to the nearest tenth of a degree |
| Hospital grade cord and plug | Secure three-pronged cord for added unit safety |
| Cycle defrost | Combines an automatic defrosting refrigerator with a static manual defrosting freezer to minimize maintenance while protecting freezer contents |
| Door shelves in both sections | Store large bottles right on the door for easy access |
| Access port | Unit comes with a factory installed probe hole for users to connect their own monitoring equipment |
