Product Specification

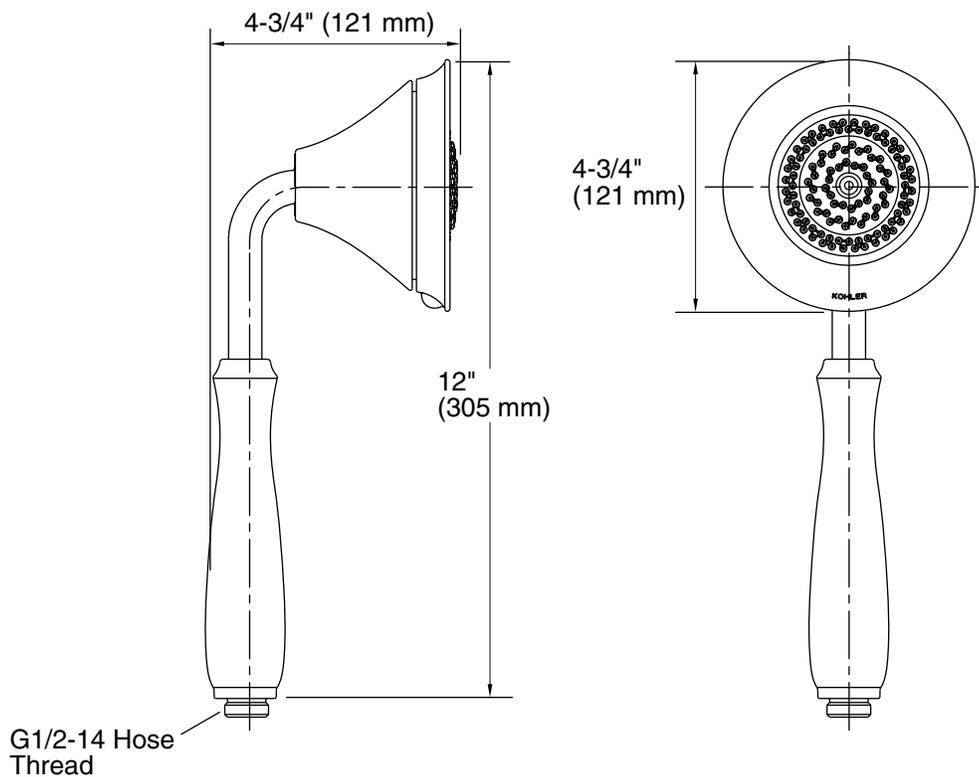

Multi-function handshower shall feature an adjustable oversized sprayface. Handshower shall feature a Masterclean sprayface which resists hard water buildup and is easy to clean. Handshower shall feature an ergonomic sprayhead which pivots. Handshower shall have a 1.75 gallon (6.6 L) per minute maximum flow rate. Handshower shall feature wide-coverage, medium-coverage, and forceful utility spray options. Handshower complements the Forté faucet line. Handshower shall be Kohler Model K-10298-_____.

FORTÉ®

Installation Notes

Install this product according to the installation guide.

Plumbing codes require an atmospheric vacuum breaker (such as Kohler Model K-9660) be installed in line with handshowers. Please consult with local plumbing officials.
