WINE REFRIGERATOR

L3015UI1WSG - 15 Inch Single Zone Undercounter Wine Refrigerator with 23 Bottle Capacity

FEATURES:

- **Everglide™ System:** A system of soft closing door hinges and shelves mitigates unwanted vibrations to your wine collection

- Fully height-adjustable shelves enable a user to move shelves up and down vertical tracking with the option to choose from a wide range of heights, creating more or less space on each shelf

- Best-in-class cabinet lighting runs the entire interior length of three sides with versatile LED color options: Blue, white and amber

- Commercial grade 304 stainless steel interior and exterior cabinet

- Precision cooling to drive air evenly throughout the interior, preventing unwanted hotspots

- Low-E, double-pane glass door with a layer of argon gas to maximize energy efficiency and deter harmful UV rays

ADDITIONAL FEATURES:

- Includes five (5) full extension wine shelves plus one (1) shallow bottom shelf to fully utilize interior space

- The integrated door lock, along with the door ajar and temperature alarms, provide an extra layer of security

- Vibration-dampening wire shelves with stainless steel decorative fronts are both stylish and functional

- Zero-clearance door hinges allow for a seamless installation with adjacent cabinetry

- Temperature range: 39 - 65°F

WARRANTY:

- Three (3) Years Parts and Labor

- Six (6) Years Sealed System Parts
  See complete warranty for details
