

# 24" Marvel Outdoor Mobile & Built-In Beer Dispensers

Model # MO24BS & MO24BT

## Performance

- CSA certified for outdoor use to withstand elements like rain, corrosion, high humidity and heat
- Tested to perform in temperatures as high as 115° F
- Dynamic Cooling Technology™ delivers the industry's best temperature stability and rapid cool down, tested and proven to cool nearly 2x faster than competitors
- Thermal-efficient insulated cabinet ensures optimum energy efficiency and cooling performance
- Easy-to-clean integrated drain system keeps spillage under control
- Double-insulated tower reduces foam on pour and prevents condensation

## Storage Capabilities

- 5.7 cu. ft. capacity
- The only beer dispenser that can store half barrel, quarter barrel (pony keg), sixth barrels or Cornelius kegs, slim quarters, growlers, bottles or cans
- Lo-Boy coupler makes it easier to store, tap and swap out tall U.S. type D half barrels
- (2) exclusive stow-on-board shelves convert unit to an all-refrigerator capable of storing perishables
- Secure CO<sub>2</sub> tank storage area and drain basin
- Includes tower, drain pan, 5 lb. CO<sub>2</sub> tank, hoses, connectors and floor shield
- Anti-scuff interior floor shield and stainless steel threshold protects cabinet from wear and tear from loading and unloading kegs
- Rear port for external CO<sub>2</sub> tank option

## Temperature Controls

- Marvel Prime™ controls for precise, frost-free temperature management between 34° to 46° F
- Audible alarms for door ajar and high/low temperature ensure your contents stay at optimal temperature

## Aesthetics

- Corrosion-resistant stainless steel exterior, sturdy pro-style handle and rugged stainless steel toe kick
- Finish: stainless steel

## Additional Convenience

- Door lock provides added safety and security
- Stainless steel toe kick adjustable to 4" with leveling legs
- 1-year parts and labor warranty, 5-year sealed system parts warranty

Certified for Outdoor Use
