

### **8285-3H**

*Large Round Silver Web  
3-60W Edison Base, On/Off  
Pendant, 22"H x 18"D*

*This pendant is playful and functional, accented with randomly placed glass beads throughout. Comes with a swag kit - easy to use in any space. Due to hand-crafting no two are alike. We suggest using silver tip bulbs to add additional drama.*
