

**Description:**

The Rainbow II G9 comes with two glass shades, the inner cased glass is frosted white. The outer glass can be clear with a dichroic coating or with colored glass. The dichroic coated glass has a liquid mercury-like finish when off but when lit will show a fusion of dichroic colors. Rainbow II G9 is a line voltage pendant which includes a 4" kiss mono-point canopy. Standard cable length of 59 inches from ceiling to top of glass, can be field-cut.
