FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Ideal for use as lighting in bathroom/lavatories, over hospital beds, hallways/corridors, stairways and utility areas.

CONSTRUCTION

A classic look, this transitionally styled vanity is offered in a hand-dipped, tea-stained glass shade, mounted on an antique bronze finished socket housing and matching decorative support arm/canopy or acid-etched, frosted glass shade mounted on a brushed-nickel finished socket housing and matching decorative support arm/canopy. The shade provides a widespread uniform illumination. Ferros vanities are available in two, three and four fixture configurations.

Includes 13W integrated GU24 spiral 2700K fluorescent lamps/ballasts (see note below) for energy efficiency, superior color rendering and long life.

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

Included lamps are for use with non-dimmable switches only. If fixture is supplied with integrated lamps/ballasts and tall sockets (see note below), dimmable lamps (CF15INLB27 GU24 DIM) can be used (sold separately).

All mounting hardware included.
