

12000 BTU Portable Air Conditioner Model No. KSTAP12B

The Keystone KSTAP12B 12,000 BTU 115V Portable Air Conditioner with “Follow Me” remote control is perfect for cooling a room up to 500 square feet. It has electronic controls with LED display and a temperature sensing LCD remote control allowing you to conveniently see, set and maintain the room temperature from across the room. A programmable 24-hour on/off timer cools the room on your schedule. Plus, the self-evaporative no-bucket design includes a flexible exhaust hose for quick set up and caster wheels for easy movement.
